

A vibrant, stylized painting. In the upper half, a blue winged creature, resembling a Pegasus or a mythical horse, is depicted in flight against a deep purple night sky filled with white stars. The creature has a long, flowing mane and tail, and its wings are spread wide. Below the creature, a bright, full moon is visible on the left side. The lower half of the painting shows a colorful, stylized landscape with rolling green hills and a row of small, colorful houses or buildings in shades of red, yellow, and blue. The overall style is expressive and artistic, with visible brushstrokes and a rich color palette.

Your heart knows the Way.
Run in that direction.
